Your honor I am addressing this letter to you in regards to filing of the motion, Compassionate Release. I ask that I be appointed the same lawyer from my recent sentencing attorney Mr. Peluso Ortega. I believe he's most fit and ready to file this motion on my behalf. I would have been home in August of this year but being that COVID is so high in the West Coast I am still being housed in MDX Brooklyn waiting to return to my prison if I am here past August of this year than I would not be released until March, 2022. Your honor I have Asthma which puts me at high risk of COVID. Your honor please take into consideration when considering me of such great opportunity that I have obtained my GED and has taken many programs during my 5 yr 2 mos incarceration.

Again I ask that attorney Mr. Peluso Ortega be assigned to my case in filing this motion he has copy of my Medical Records and my GED certificate. I changed my life around for the better of myself and those around me, I'm ready your honor please believe me.

Thank you in advance your honor and best wishes under these difficult times we are in.
